AUTOLIFT

ONDA
OW SERIES

THE EFFICIENT AND COMFORTABLE WHEELCHAIR LIFT WITH VERTICALLY FOLDING PLATFORM

ONDA OW Series

The Autolift solution to provide easy access and good visibility

AUTOLIFT

ONDA OW SERIES

Efficiency	Consuming 30% less energy, ONDA is the most efficient lift available.
Stability	ONDA's patented unique structure is stiffer than competing systems providing the customer with stability.
Design	In addition to providing best in class aesthetic design, ONDA offers a more space efficient structure.
Comfort	Onda achieves unrivalled comfort when equipped with its optional platform lighting system and the lowering speed control which dramatically reduces start-up accelerations.

OW SPECIFICATIONS

- Vertically folding platform
- Powder Coating
- Two-buttons control unit
- Reduced base plate height
- Automatic roll-stop plate
- Automatic bridging plate
- Auxiliary pump and lowering valve
- Automatic extendible handrails
- EMC tested
- EC Standards compliant
- Crash tested
- Weather Conditions Tested
